

YOUR HOME ON NY STATE MLS

Buyers are making bigger moves than ever before - shouldn't your agent's MLS keep up?

- **Put your home** on the only statewide Multiple Listing Service in New York
- **Get the best offer** for your home fast when your listing is exposed to our nationwide network of brokers
- **Be seen** on major consumer sites, including Zillow, Realtor.com, Trulia, Homes.com, and ListHub's full publisher network
- **Go global** with our 20+ international publishers, with your home's description translated and price converted to local currencies
- **Stay connected**; your property will appear on sites with your agent's information and a link back to your MLS listing
